**(Lexis Japan) This is crucial information for students flying to Kansai, Itami, or Kobe airports in Japan.*

Please note that homestay check-in times are now very strict. Almost all host families are unable to accommodate late arrivals. This is largely due to cultural expectations in Japan, where families place high importance on welcoming students as guests, especially on their first arrival.

For future reference, please ensure that students opting for homestay arrive at KIX, Itami, or Kobe airports by 6:00 p.m. to avoid any issues.
If students arrive after 6:00p.m., they will need to stay at a hotel for that night.
